The average cost of a home in Sweden is around $300,000, making it one of the most expensive housing markets in the world. The transition to home ownership is happening at a faster rate than any other country in the EU. In the last three years, the number of homeowners has decreased by 50% to 20% and the number of homes available has

decreased by 20%. This is one reason why renting and leasing a home in Sweden is becoming popular. The Swedish government has tried to spur rental use by significantly lowering the cost of short-term leases. Most of the apartment rentals in Sweden are designed to be serviced dwellings, known as "moving in�

I can get it to work as a dropdownlist, but I can't make it work as a multi select. As you can see in the picture, it looks like I am selecting multiple things at a time, but I'm selecting just one at a time. Any suggestions as to what I'm doing wrong would be appreciated. @Ajax.ActionLink("Status", "ViewBatchStatistics", new {

batchId = item.BatchID }, new AjaxOptions { HttpMethod = "GET", UpdateTargetId = "StatusWidget"}) @Html.DropDownList("Statuses", new SelectList(ViewBatchStatisticsHelper.GetStatuses(), "ID", "Name"), "Choose Status", new { id = "statuses", multiple = "multiple"}) EDIT I changed my code to this, and it looks like it's working now. @Ajax.ActionLink("Status", "ViewBatchStatistics", new { batchId = item.BatchID }, new AjaxOptions { HttpMethod = "GET", UpdateTargetId = "StatusWidget"}) @Html.DropDownList("Statuses", new SelectList(

A similar measure would be introduced in the Republican-led Senate next month, according to a report by Frank Morone of the Washington Examiner. As the Republican Party gained control of the Senate in January, they lost their majority in the House of Representatives, and they have made no headway in the Democrat-dominated House of Representatives. According to the Washington Examiner, Senate Majority Leader Mitch McConnell has said he will introduce gun control legislation, making new gun control laws appear to be the last thing on the minds of senators who want to try and pass a new Obamacare repeal bill. McConnell and House Speaker Paul Ryan have for the most part said that if Obamacare cannot be repealed in the first two years of the Trump administration, they will be open to introducing gun control legislation, although they have

not said they have anything specific in mind for potential gun control legislation. According to the Examiner, McConnell is trying to pass the National Popular Vote Interstate Compact through the Senate, which would give states the power to award their electoral votes to the candidate who wins a majority of votes in a
